

## Great Photos Fast! Action Photography Program Spring 2009

### Game/Event Package

Great Photos Fast! will come out to an organized game/event of your choice; a sporting event, band/choir concert, theatrical presentation, dance recital or other activity you want captured. We'll take photographs of the entire event from start to finish\*.

When you purchase our Game/Event Package, you'll get:

One CD/DVD of all the images we take-typically around 500 photographs. These are full resolution, right-out-of-the-camera digital files. With this CD/DVD, you can:

- 1) Make unlimited copies of the CD/DVD for other parents/participants.
- 2) Print the images-we'll give you written permission which is required by many photo labs.
- 3) Use the photos in a slide show.
- 4) Post the photos to web pages.
- 5) Use the photographs in marketing/promotional material.

We'll also give you a 20% off coupon good towards any of our specialty print products (motivational prints, action posters, plaques etc.) for any orders placed within 2 weeks of the event. As mentioned above, you can make your own prints, but many customers prefer to let us professionally post-process these images (crop, color-correct, sharpen, reduce digital noise etc.) and print at our own processing lab.

Our Game/Event costs \$150, making the cost per photo incredibly low. Due to the number of requests for Action Photography, please contact Bill Johnson or Bonnie Soderling to confirm our availability. Please call (763) 544-5444 or email us at [marketing@GreatPhotosFast.com](mailto:marketing@GreatPhotosFast.com)

\*notes:

- Valid for games/events that last a maximum of 3 hours. Events longer than 3 hours cost an additional \$50/hour.
- Additional copies of the CD/DVD can be ordered for \$5 per CD/DVD.
- We try and get at least one photograph of all participants, but we cannot guarantee this.
- Great Photos Fast! Action Photography retains the copyright to all images.
