

Maplebrook Soccer Association Fundraising Policy

This Fundraising policy is intact for the reason of the proper collection and disbursement of fundraising dollars received to benefit the financial position of either a Soccer team or an Individual Soccer Player. The Maplebrook Board of Directors prior to the Fundraising event must approve all Outside Fundraising other than the Scrip Program, Oil changes, Taste Test with Food Perspectives, and the Spring Flower sale. Please submit the "Request for approval of a Fundraiser event" form to the Board of Directors prior to the actual fundraising event.

All Fundraising monies received shall be tallied and submitted to the Club Treasurer.

If the approved Fundraising is a total team activity, each player will be given an equal credit towards their team's soccer fees via an electronic credit thru the Club Treasurer or a check will be given back from MBSA to the Team's checkbook, and each individual player will be credited. In the event of Individual Fundraising, only the players participating in the Fundraising activity will be given the credit towards their Soccer expenses incurred. A team's budget estimation of income/expenses may be requested to verify actual team's expenses by the Club. Team Managers and Coaches do not have the authority to use these fundraising funds for gifts, team parties or other outside purchases. The purpose of Fundraising dollars is to lessen the burden of soccer expenses, i.e. for Soccer team fees, or for individual player soccer equipment expenses.

REQUEST FOR APPROVAL OF A FUNDRAISING EVENT

Date: _____

Maplebrook Team Id: _____

Team Coach: _____

Team Manager: _____

Season: Summer/Fall Year _____

Our Maplebrook Soccer Team is requesting to do the following Fundraiser activity:
