

Outdoor fun for Intermediate Little Blasters

The Maplebrook Soccer Association is offering 7 and 8 year old boys and girls an opportunity to further their skills as soccer players. Multiple outdoor training sessions will be led by National Youth Licensed coaches who will teach the children basic ball handling skills, on-field positioning, and team work in a semi-competitive environment. This program is designed for children who are 7 or 8 years old, have played soccer before, and are looking for a little more of a challenge. Each session will consist of a training session followed by a series of short, small-sided games.
